Delegates are expected to come in and leave through the Main Gate (G1). Cars and buses would ideally park in the Main Parking Lot (P3) or the Roadside Parking Lot (P2). Then delegates are expected to head to the Bâtiment des Terminales (B1), in which all of the conference is expected to take place. Advisors or any other school staff that may be accompanying delegates (if any) are welcome to wait for them in Leba's Canteen (F).

Breaks will take place between the Closed Courtyard in the Bâtiment des Terminales (B1) and the Open Courtyard (C). Lunch will be served in the Main Canteen (B2). It is important to note that the Delegate Participation Fee of 20\$, which delegates pay before being allowed to choose a delegation assignment on the website, includes the lunch which will be served in the Main Canteen (B2) for both days, as well as all other conference costs. This lunch is expected to suffice and satiate each delegate, but Leba's Canteen (F) and the Brgrz stand located just outside the Main Gate (G1) will be open independently of our conference should the need arise.
